**\* Important Explanatory Notes Regarding Prices**

- (a)** Direct Cremation price also includes crematory fee and/or medical examiner fee (*worth \$100 to several hundred dollars*).
- (b)** Description of services for Direct Cremation and/or Immediate Burial differs from definitions used by FCAWM in 2010.
- (c)** The services covered by the "Basic Services Fee" are not adequately described in this General Price List.
- (d)** What was submitted is not a General Price List; it is either a Statement of Goods & Services Selected and Payment Agreement or Schedule of Basic Standard Package Services. It would be a violation of FTC rules if this were given to someone in place of an actual General Price List.
- (e)** Blank spaces indicate that the missing information was not provided in the GPL.
- (f)** Direct Cremation and/or Immediate Burial appear to include a charge for use of purchaser-provided alternative container or casket.
